Terms and conditions:

1. This scholarship awards up to \$350 to cover the registration or tuition costs of a field hockey summer camp or field hockey recruiting event made payable to the organizing institution or organization.
2. This scholarship does not cover travel or costs outside of tuition.
3. Scholarships will not exceed \$350. For example, if a camp costs \$350, and additional tax and processing fees are an additional \$10.50, then the winner will be responsible for the \$10.50 or any amount over the \$350 limit.

However, additional tax and processing fees will be covered as long as the total amount does not exceed \$350 (in which case the winner shall be responsible for any additional costs).
5. The winner must submit information detailing the camp or recruiting event within 30 days of winning the scholarship (starting from the date of notification).
6. Money will be awarded in a manner compliant with all NCAA rules and regulations.

9. Programs are subject to approval by The So Sports Foundation scholarship committee.
10. All entries must be submitted electronically.
